

**Position** Permanent, Full Time  
**Job Title** Acoustic Consultant or Senior Acoustic Consultant  
**Location** Farnborough, London or Manchester

## THE ROLE

Hilson Moran is a leading multi-disciplinary engineering consultancy. Our offices span the UK and the Middle East and we apply our technical skill and specialist knowledge to a wide range of projects across new-build, fit-out and refurbishment projects in the public and private sectors.

Our Acoustics Group provides advice to major property clients, leading architects and project teams on all aspects of acoustics. Our current workload is varied and includes major high profile building projects in the UK and abroad.

## THE INDIVIDUAL

We are seeking a dynamic, ambitious and enthusiastic Consultant or Senior Consultant to join our Acoustics Group in Farnborough, London or Manchester. Applications are sought from candidates with Acoustic Consultancy experience in the Building Services, Architectural, and Environmental sectors. The candidate would be expected to hold a Bachelor degree in Acoustics or a closely-related subject (e.g. Physics), and/or the IOA postgraduate Diploma.

A valid driving licence is essential as the role will involve travel to sites, meetings etc. across the UK.

This is an exciting career opportunity for a suitable candidate to join a rapidly expanding Acoustics Group within a very successful and well regarded engineering consultancy.

## THE PACKAGE

Competitive salary, 25 days holiday, performance related bonus, pension scheme, private healthcare, life assurance, Employee Assistance Programme, childcare vouchers and more.
